

# CLP REVISED RECERTIFICATION REQUIREMENTS

MAY 2021

## PURPOSE OF REVISION

Align requirements with the CLP Board of Governor's recognition that certificants demonstrate continued competency and currency in the licensing field in a number of ways.

## REVISED REQUIREMENTS

Certified individuals complete 40 continuing professional development credits in the 3-year certification cycle and submit the CLP recertification application. The requirement for full time employment is removed, continuing professional development categories expanded, and maximums expanded or eliminated.

## CONTINUING PROFESSIONAL DEVELOPMENT CREDIT CATEGORIES

1. Attending or participating in industry events
2. Conducting presentations/speaking events
3. Writing/publishing on relevant industry topics
4. Completing practical experience (includes full or part time employment, consultancy, and board service) (maximum 36 credits)
5. Serving as an expert witness or arbiter on a licensing matter
