CLP to Offer Certification Exam in April and October 2012

ALEXANDRIA, VA (December 6, 2011)— CLP, Inc. will offer the Certified Licensing Professional (CLP) exam at more than 400 test sites worldwide during two, month long windows in April and October 2012. Candidates can apply online by visiting:

<http://licensingcertification.org/examcandidates/applicationfees.html>.

The CLP credential distinguishes professionals with at least three years of experience in the fields of licensing, business development and commercialization of intellectual property. More than 800 individuals involved in patenting, marketing, valuation, IP law, negotiation, and intellectual asset management have earned the CLP certification.

Earning the CLP designation provides many advantages:

- Recognize your experience and qualifications as well as your commitment to continuing education and professional development.
- Show that you understand and utilize the latest industry practices.
- Fulfill personal and professional goals for career development and open up more opportunities in your career for advancement and job mobility.
- Establish credibility among your colleagues and peers.
- Demonstrate your commitment to the licensing profession as a career.

Professional certification plays an increasingly important role in our society. CLP is *the* certification for the licensing profession. Take the next step in your career and earn the CLP credential in April or October 2012. To apply to take the exam, visit:
